

Tibberton Eco Code

We promise to look after our world
And the Animals and plants in it!

We hope no one chucks litter on the floor!
Remember to turn off electric stuff if
You're not using it.

We will compost our food scraps
And recycle our rubbish !

And grow lots of **scrumptious** fruit and
vegetables !

Reduce , reuse and recycle!

Are you clever enough to do these
Things?

Yes!
