

# Tibberton and Hindip School News

We have understandably had lots of questions about what next for our children not yet back in school. I hope the email sent out this week let you all know we are very much thinking about what we may be able to offer, pending official guidance reaching us. We will keep you posted as soon as we know more.

This week Hindlip received a special delivery of popcorn for the children and the staff which was very well received! Toby Stringer, who founded a Facebook group called Plate One Up and Pass It On to help support self-Isolators, vulnerable and disadvantaged people dropped off the treats as staff are key workers. It was lovely to hear the squeals of delight from the children when they saw the tower of popcorn for them to have over the next few weeks. Staff We give him a great big thank you from everyone!

Have a super weekend, Mr Gromski and the Hindlip and Tibberton Team.

**Tibberton Bags to School**—A Bags to School Collection has been arranged for July. Please put clothes donations in a black bag and drop at the Village Hall on Plough Road on July 6th. If the weather is poor the hall will be open for drop offs. Please pass this information on as it will raise money for school!

## IMPORTANT DIARY DATES

- Hindlip is closed on Wednesday 17th June due to local electrical works.
- Tibberton access will be limited on Wednesday 17th and Thursday 18th June as Plough Road is being resurfaced. Please allow extra time to get to school.
