Fri	<ul style="list-style-type: none"> Radio Club UU—Rugby—Outdoor Kit Y1/2/3 Multi skills 3-4 pm Y4 ICT Club 3-4 pm

We hope that the additional communication you have received today has provided some clarity regarding our school and the current Coronavirus pandemic. We will be reviewing guidance daily and have been thinking ahead regarding upcoming events. Given the likelihood of a continued escalation in the spread of the virus we are sad to announce that we are **cancelling** the upcoming ISingPOP concert on Thursday 2nd of April. We do not feel it would be responsible, at this point, to hold a community concert. We are working closely with ISingPOP and are still intending to run the teaching sessions and the recording sessions. We will then hold the concerts at a later date. I am sure you all will understand the necessity of this decision.

Brighter news is that the sun has been shining this week and the children have been enjoying getting outside for lots of fresh air, lets hope it stays sunny over the weekend! Have a good weekend, Mr Gromski.

Governor-All About Me

John is one of our parent Governors. John is the father of two girls: one in year 4 and the other, an ex pupil of Tibberton, now in year 5 at Middle School.

In his day job, as well as teaching bigger students at the University, he is involved in International Partnership work. He is a long suffering supporter of Plymouth Argyle Football team.

Lots of Forms.....

Forms have been sent out to UU for the Aztec and Pioneer Trips. These need to be completed and returned to the office by 03/04 please. Dinner forms have been sent out. LU & MU back by 27/3 & UU back by 02/04 please. Contact details—please check book bags tonight. **ONLY** return if there are amendments please.

Achievements

Congratulations to all those children who received Head Teacher, writing, lunch time and value awards this week. Our value this half term is Courage.
