

Tibberton and Hindip School News

It has been lovely to have children back in both our schools this week. Thank you to all our parents for maintaining social distancing at drop off and pick up, and working with us so well on the staggered times. We have been really pleased with how well the children have settled back into school routines whilst doing really well with adapting to the changes we have made across our schools. A big thank you to all the staff who have been working really hard to make this happen. We really miss all the children still at home and can't wait to have them back in school as soon as it is safe to do so. Children, your teachers remain eager to hear from you on your class emails. Another thank you to everyone who responded to our SRE Consultation. We are putting the finishing touches on a SRE policy and will share this in due course. Newsletter photos to still go to office@tibberton.worcs.sch.uk for the time being please—thanks!

Have a great weekend, Mr. Gromski.

Things that made us smile this week...

Hindlip Staff—A Chinese lunch provided by Golden City, Blackpole. Thank you, it was delicious!

Mr Uren—The main thing that has made me smile this week is confirmation that the Premier League will return on June 17th! In addition to this, the beautiful weather has also lifted my spirits!

Mrs Jordan—Being attacked by my daughters with a hose when getting home on Monday!
